Dear Pastor Lee,

Good Morning to you and to all the brethren there in New Jersey. To God be the Glory for all the things He's been doing in the Ministry. Truly the Lord is helping us do what He is blessing.

I would like to thank you for the blessings you've shared with us. I received the amount of Ph13,899.20. We were able to have our four windows mounted with jalousies with steel bars in it to make it more safer to leave our things inside the church. (attached are the pictures before and after it is done)

Dear Pastor Lee,

**I am so blessed on how you are sharing your gift with your fellow believers in the
Lord. Thank you for your kind heart. May you continue to be a blessing not just to
me but to other ministries as well. I'm in my pioneering stage and it's so difficult
to see things done if you lack finances, but my faith does not stop me seeing
things done in God's way. Bro. Ed and Sis. Ellen Abinales visited us when they
came to the Philippines last summer. It was joy and fun being with your dedicated
workers in the Lord.**

God bless you all...

Sis. Carolina
